The subscriptions to databases labeled “New in FY08” are made possible by our pre-payment of PsycArticles fees last fiscal year. Some of the databases on the above list will be canceled in FY09 when we have to pay for PsycArticles again.

We recommend that libraries with print subscriptions to Mental Measurements Yearbook and RMA Annual Statement Studies NOT cancel their print subscriptions immediately, since these databases may only be with us for one year.

*As of 4/27/07 RMA was not available at the price originally quoted. We will not get it.
