

Summer 2009 Financial Aid Request

I am requesting financial aid for the summer classes indicated on the **attached copy of my official Summer registration.**

During this summer enrollment period, I will be living:

in the Residence Hall
with my parents
off-campus, but not with my parents

Please note that summer financial aid is part of your 2008-2009 financial aid year. We will attempt to package you with the most attractive funds for which you are eligible. An Award Notice will be provided to you; please check DSIS for updates. If you are eligible for Stafford Loan funds, you will need to tell us how much to process for you.

Funds available will depend on your use of funds during the 2008-2009 award year. If you did not use your full Pell award, because you attended only one semester, or attended part-time, some Pell funds may be available. Stafford Loan funds may be available if you did not use the full amount based on your year in school, or if you advanced a level (0-23 credits = Freshman, 24-53 credits = Sophomore, 54-83 credits = Junior and 84+ = Senior) during the academic year.

I certify that the copy attached represents my current summer school registration and that **I will notify the Financial Aid Office immediately if my classes or my enrollment changes.** I understand that if I do not complete the summer courses for which I am registered, my financial aid may be adjusted according to U.S. Dept. of Education requirements, which may result in the retraction of part or all of my summer financial aid and I will be responsible for paying my charges at the University of Maine at Fort Kent on my own.

I have attached a copy of my Summer 2009 class schedule
